

# THE CURATED TEE

## ARTIST SUBMISSION INFO:

We're excited you're interested in working with The Curated Tee!

As you probably know, we're a subscription-based tee company for little ones aged 1-4. Our goal is to make beautiful, affordable clothes that expose kids to different forms of art.

Each month a guest artist draws a design that we have screen printed onto a tee. Each month's artist is featured on our website & in our newsletter, along with a little Q&A, and maybe a little video (depending on artist location.)

In addition to fine artists, we love highlighting creative careers like architecture, landscape design, engineering, music composer, astronomy etc.

## INTERESTED IN BECOMING A FEATURED ARTIST?

Please send your website and /or portfolio materials to [thecuratedtee@gmail.com](mailto:thecuratedtee@gmail.com)  
If you already have design ideas in mind, we'd love to hear about them.

## DESIGN CONSTRAINTS TO KEEP IN MIND:

-GENDER NEUTRAL

-ALL DESIGNS PRINTED IN ONE COLOR INK

\*\*\*We want our designers to stay true to their craft and to create an image that would look equally as good on a tee as it would in a gallery show of their work. Unless your style is "cute," don't aim for a cute design. \*\*\*
